A message from Co-Convenor

Dear Rotary leaders and friends,

It is my great pleasure to warmly welcome you to the 2025 Genting Rotary Institute.

Nestled among misty mountains and surrounded by breathtaking scenery, Genting provides the perfect atmosphere for fellowship, inspiration, and growth. It is truly a privilege to gather here once again with so many passionate Rotary leaders and friends from across our zones.

I am deeply honored to once again serve as Co-Convener together with PRID Ghim Bok Chew. His vision, wisdom, and dedication have been invaluable in shaping this event. I would also like to express my heartfelt appreciation to our Chair, PDG Siti, for her outstanding leadership and tireless commitment. Her guidance and attention to detail have ensured that every aspect of this Institute—from the program design to logistics and hospitality—has been carefully planned. My sincere thanks also go to all facilitators, speakers, and members of the organizing team, whose hard work and enthusiasm have made this gathering possible.

This year's Institute continues the proud tradition of bringing together Zones 1B, 9, and 10. It offers a meaningful opportunity for learning, sharing, and fellowship across borders. The 2025 Rotary theme, "Unite for Good," perfectly captures the spirit of this gathering—reminding us that when we come together with shared purpose and compassion, our collective impact can truly transform lives. Through collaboration and mutual understanding, we embody the essence of Rotary service at its finest.

The Genting Institute is not just an event—it is a celebration of who we are as Rotarians. It reminds us that leadership grows through connection, and that our greatest influence comes from working hand in hand for the common good. Let us listen, learn, and inspire one another, as we prepare to meet the challenges and opportunities of our ever-changing world.

I hope you will take time to enjoy the beauty and hospitality of Malaysia, and to create memories that will last long after the sessions are over. Together, let us make the 2025 Genting Rotary Institute a truly remarkable and unforgettable experience—one that reflects our shared commitment to Unite for Good.

A message from Co-Convenor

Dear All,
Welcome to the 2025 Genting Rotary Institute.

Every Institute provides a unique opportunity to celebrate our successes, discuss, learn, and exchange views on how we can continue to adapt to and grow with our changing world. With two and a half zones, we are unique and there will be plenty of diversity. It's a chance to come together and plan, not only for the year ahead, learn from your regional friends but also for Rotary's future.

Besides the usual learning and fellowship opportunities. Genting Highlands is a hill station located on the peak of Mount Ulu Kali in the Titiwangsa Mountains, central Peninsular Malaysia, at 1800 metres elevation. The primary tourist attraction is Resorts World Genting, a hill resort where casinos and theme parks are situated. Our Institute will be held at the Resort. Genting Highlands has plenty to offer to you and your family. Once here, you will have plenty of opportunities to explore the Peninsular Malaysia as well. With the varied culture and Malaysian hospitality, I am confident that you and your family will not be disappointed.

The 2025 Genting Rotary Institute Committee has worked tirelessly for the past one year curating programme for this annual event. I wish you a pleasant stay in Malaysia and I hope you leave here enriched with new knowledge, blessed with new friends and better friendship with old friends.

Sincerely yours,

PRID Ghim Bok Chew

A message from
The Rotary Foundation Trustee Chair

Dear Fellow Rotary Leaders,

Congratulations on your Rotary Institute. This is a special time of learning, connection, and shared purpose. Institutes offer a unique chance for current, past, and future Rotary leaders to gather, exchange ideas, and align around our shared mission.
The Rotary Foundation is our most powerful tool for doing good in the world. It funds initiatives that save lives, promote peace, and build stronger communities. With your leadership, we can ensure these projects are not only impactful but sustainable and measurable.

Our work to end polio remains Rotary's top humanitarian priority. As we approach the finish line, every effort matters. I encourage you to work with your club, district, and zone teams to promote this work and plan activities that raise awareness and support.
Our work extends far beyond polio. Through The Rotary Foundation, we invest in lasting solutions that address the causes of conflict and inequality. From clean water to peace education, from disaster relief to economic development, our grants and partnerships create real impact.
I encourage you to explore these opportunities during the institute and bring new energy and ideas back to your clubs and districts. Together, we will continue building a more hopeful and peaceful world.

Sincerely,

Holger Knaack
The Rotary Foundation Chair, 2025-2026

The Rotary Project Showcase competition provides a platform to recognize innovative and impactful community service initiatives undertaken by Rotary clubs across our Zones. This competition is designed to highlight exemplary projects and foster inspiration among members.

From the many commendable entries received, three winning projects will be selected based on their demonstrated community impact, sustainability, and alignment with our 7 Areas of Focus. The selection process combines evaluations by a selected team of judges (60%) and public voting (40%). The winning clubs will be formally recognised with a trophy of excellence during the Institute's Welcome Dinner. We sincerely appreciate the enthusiasm, creativity, and commitment demonstrated by all participating clubs in submitting projects of such significance and merit.

We encourage all clubs to continue embracing this spirit of innovation, setting new benchmarks for excellence through meaningful action. It is our honour to recognise all the clubs and Districts who participated in the 2025 Genting Rotary Institute Project Showcase Competition.

It All Starts With Water

Using WASH to Improve Lives in 21 Poor Hilltribe Mountain Villages in Northern Thailand

This WASH project brings clean water and sanitation to 21 remote hill tribe villages in Northern Thailand. Mountain spring water is delivered through gravity-fed buried pipes, filtered, and stored in 15,000-liter tanks, providing a reliable long-term supply. For communities without septic or sewer systems, the project also builds squat toilets and showers for all residents. With no machinery required and minimal maintenance, these systems are designed to last more than 30 years, significantly improving health and daily living conditions.

40 Years of Fighting Polio. One Day to Stand United.

Celebrate Rotary's 40-Year Commitment to a Polio-Free World.

Since 1985, Rotary has led the charge to end polio for good. To mark 40 years of action, impact, and hope, we invite you to be part of the SeaOfRed campaign to raise awareness and support for polio eradication.

What Is the SeaOfRed?
On Sunday, 30 November 2025, Rotarians from across the region will wear red as a symbol of unity and determination at the 2025 Genting Rotary Institute, to show the world that ending polio remains our mission. By donating USD 40 to The Rotary Foundation (TRF), you will receive a limited edition End Polio Now t-shirt to wear proudly on that day!

Why USD 40?
Because USD 40 can protect 8 children from the life-long paralysis caused by polio. Your contribution to The Rotary Foundation funds polio vaccines, education, and eradication efforts. With the Bill & Melinda Gates Foundation matching every dollar 2-to-1, your impact triples!

Why It Matters?
Polio cases have dropped by 99.9% since Rotary began this journey. Only a few cases remain, but we can't stop until polio is gone everywhere. This is Rotary's signature global initiative and we're closer than ever to making history.

Be Part of the Legacy
When you join the SeaOfRed, you're not just donating, but you're standing with a movement that's changing the world.

- Donate USD 40 and upload your receipt
- Receive your End Polio Now t-shirt
- Wear it proudly on 30 November 2025 at 2025 Genting Rotary Institute to form a SeaOfRed
- Protect 8 children and fuel the final push to End Polio Now

[Make Your Contribution Now]

Together, we can finish what we started.

Donate today. Wear red. End Polio Now.

WEAR YOUR RED END POLIO NOW T-SHIRT ON 30TH NOVEMBER 2025!

You may collect/purchase your End Polio Now t-shirt at the Polio booth.
