A message from Co-Convenor

Dear Rotary leaders and friends,

It is my great pleasure to warmly welcome you to the 2025 Genting Rotary Institute.

Nestled among misty mountains and surrounded by breathtaking scenery, Genting provides the perfect atmosphere for fellowship, inspiration, and growth. It is truly a privilege to gather here once again with so many passionate Rotary leaders and friends from across our zones.

I am deeply honored to once again serve as Co-Convener together with PRID Ghim Bok Chew. His vision, wisdom, and dedication have been invaluable in shaping this event. I would also like to express my heartfelt appreciation to our Chair, PDG Siti, for her outstanding leadership and tireless commitment. Her guidance and attention to detail have ensured that every aspect of this Institute—from the program design to logistics and hospitality—has been carefully planned. My sincere thanks also go to all facilitators, speakers, and members of the organizing team, whose hard work and enthusiasm have made this gathering possible.

This year's Institute continues the proud tradition of bringing together Zones 1B, 9, and 10. It offers a meaningful opportunity for learning, sharing, and fellowship across borders. The 2025 Rotary theme, "Unite for Good," perfectly captures the spirit of this gathering—reminding us that when we come together with shared purpose and compassion, our collective impact can truly transform lives. Through collaboration and mutual understanding, we embody the essence of Rotary service at its finest.

The Genting Institute is not just an event—it is a celebration of who we are as Rotarians. It reminds us that leadership grows through connection, and that our greatest influence comes from working hand in hand for the common good. Let us listen, learn, and inspire one another, as we prepare to meet the challenges and opportunities of our ever-changing world.

I hope you will take time to enjoy the beauty and hospitality of Malaysia, and to create memories that will last long after the sessions are over. A message from Co-Convenor

Dear All,
Welcome to the 2025 Genting Rotary Institute.

Every Institute provides a unique opportunity to celebrate our successes, discuss, learn, and exchange views on how we can continue to adapt to and grow with our changing world. With two and a half zones, we are unique and there will be plenty of diversity. It's a chance to come together and plan, not only for the year ahead, learn from your regional friends but also for Rotary's future.

Besides the usual learning and fellowship opportunities. Genting Highlands is a hill station located on the peak of Mount Ulu Kali in the Titiwangsa Mountains, central Peninsular Malaysia, at 1800 metres elevation. The primary tourist attraction is Resorts World Genting, a hill resort where casinos and theme parks are situated. Our Institute will be held at the Resort. Genting Highlands has plenty to offer to you and your family. Once here, you will have plenty of opportunities to explore the Peninsular Malaysia as well. With the varied culture and Malaysian hospitality, I am confident that you and your family will not be disappointed.

The 2025 Genting Rotary Institute Committee has worked tirelessly for the past one year curating programme for this annual event. I wish you a pleasant stay in Malaysia and I hope you leave here enriched with new knowledge, blessed with new friends and better friendship with old friends.

Sincerely yours,

PRID Ghim Bok Chew

The Rotary Foundation Trustee Chair

Dear Fellow Rotary Leaders,

Congratulations on your Rotary Institute. This is a special time of learning, connection, and shared purpose. Institutes offer a unique chance for current, past, and future Rotary leaders to gather, exchange ideas, and align around our shared mission.
The Rotary Foundation is our most powerful tool for doing good in the world. It funds initiatives that save lives, promote peace, and build stronger communities. With your leadership, we can ensure these projects are not only impactful but sustainable and measurable.

Our work to end polio remains Rotary's top humanitarian priority. As we approach the finish line, every effort matters. I encourage you to work with your club, district, and zone teams to promote this work and plan activities that raise awareness and support.
Our work extends far beyond polio. Through The Rotary Foundation, we invest in lasting solutions that address the causes of conflict and inequality. From clean water to peace education, from disaster relief to economic development, our grants and partnerships create real impact.
I encourage you to explore these opportunities during the institute and bring new energy and ideas back to your clubs and districts. Together, we will continue building a more hopeful and peaceful world.

Sincerely,

Holger Knaack
